NEWS AND PERSONAL.

demagegues.

The plan of the compirators works like a wicked charm. They have introduced interexery Southern community the fearful ques GOLD 14? In New York pestersloy. tion of more supremacy. They have taught the regree to regard the whites as tent apost re-cushaving them, unless prevented by being THE SEE of winding cards for much winter will every large indeed, Hanne's silk factory of Philadelphia was rerday afternoon. Loss \$50, 1881

Mr. Young and wife at fold springs, Indiana, nounc time ago.

Hamitum C. Jowns, author of the best homorous piece in the entire range of American literature, "Counts faily Diland," died as Jawans, N. C., recently, of the good old upe of security suc. The Lark field in the Kentacky tree brought a supply of cont to Franktor. Neveral front leads from the ceiterized field filter flust words, and awo only of codar logs, nion passed that place destined for Leutsville.

The Naw Yiers, papers say that there are knertable indications that the tirrectan bend is unbeauding. The codd weather of the last fen days has been too much for K.

Richards & Varetank's Accesses factor to Jersy (the was burden) partly and there are favored to the control of the control of the control of the last fen days has leaded to make the control of the control of the control of the last fen days has leaded to make the control of the control of the last fen days has lower stilled, beres handred and fifty harries of the weet burned. Low \$20,000.

Two or the number of toods of the Hite Ridder latituated trought of flows the troiting of the demonitation of \$4,000, which were stolen from a make to Charleston in 1865, have torsed up to Detroit, Richigan, and safely returned to their mass.

Dr. Mooke, of Markylli's, Georgia, has a four-legiced tark y, which we obtained from William to the plantation of Mr. trees J. Jurdan. They are preserved in a shools.

The NFW York CYREN has planted into the hands of a new sort association, we have yellowed the form and the name of a new sort association, who have yellowed the power of the Kalidan. Take the power of the Kalidan.

THE CAMPAIGN.

State of Georgia Col Pierce and Copt. turphy went name on armed electionsecting tion of the result in Nermana's not remain the product on the profitted interact and make the product of the profitted interact and make the profit of the med for three weeks, and provided with atra arms for the equipment of recruits, the owign being to take possession of Camilla and stablish a reign of partisan violence over the rrounding population. They were mot by of the throatened community, who requested them to put aside their arm and enter the lown in peaceful guine. The luvaders, how-ever, not heeding the request, surehed on like

ever, not heeding the request, marched on like a conquering army and took pursuants, with drums beating and colors flying. That a distartance about it emen, that the citimus should rally and repulse this memoring baselets of strange negroes, was natural, and was doubted in expected by the men who got up the expectation of the product of the product of the control of the control

Such is the account sout his the associated press. A Rodinal partians version of the offsir is that the Invading mole and marmed, that the attent the invading mole and that 40 reside of the was distinct on the attent was unprovided, and that 40 reside of the bodyguard of Ool. Pleave and Capital Marphy were unresidelingly short down by the best of the control of th "Seymour Densocracy." Now, hour ver false that could not seem to be seem to b
